Yanni,

Dana and I want to thank you for your involvement in our **Sensual Evolution Workshop**. We truly enjoyed the opportunity to 'partner' with you so that we could introduce and expose women to embracing **being** sensual.

Your presentation was fabulous! We both have received e-mails, texts, and phone calls from our guests saying how much they enjoyed themselves and your session. You conveyed the message in a powerful, informative and relatable manner. You made everyone feel comfortable sharing their opinions, ideas, and beliefs...and that's what we wanted.

We hope that you will keep us in mind for future opportunities and ask that you spread the good word about our company, *K.D.P.R.* Please keep in touch too!

Best regards,

Karyn DuBose and Dana Cushingberry ---on behalf of ***K.D.P.R.***
